LOW FOOT TRAFFIC

L-ONE TABLETURN

Code 892347

Dispenser for folded napkins 24x16 cm

117x205x190 (mm HxLxD)

- Horizontal distribution with 360° rotation
- Special blocking pin
- Push button opening

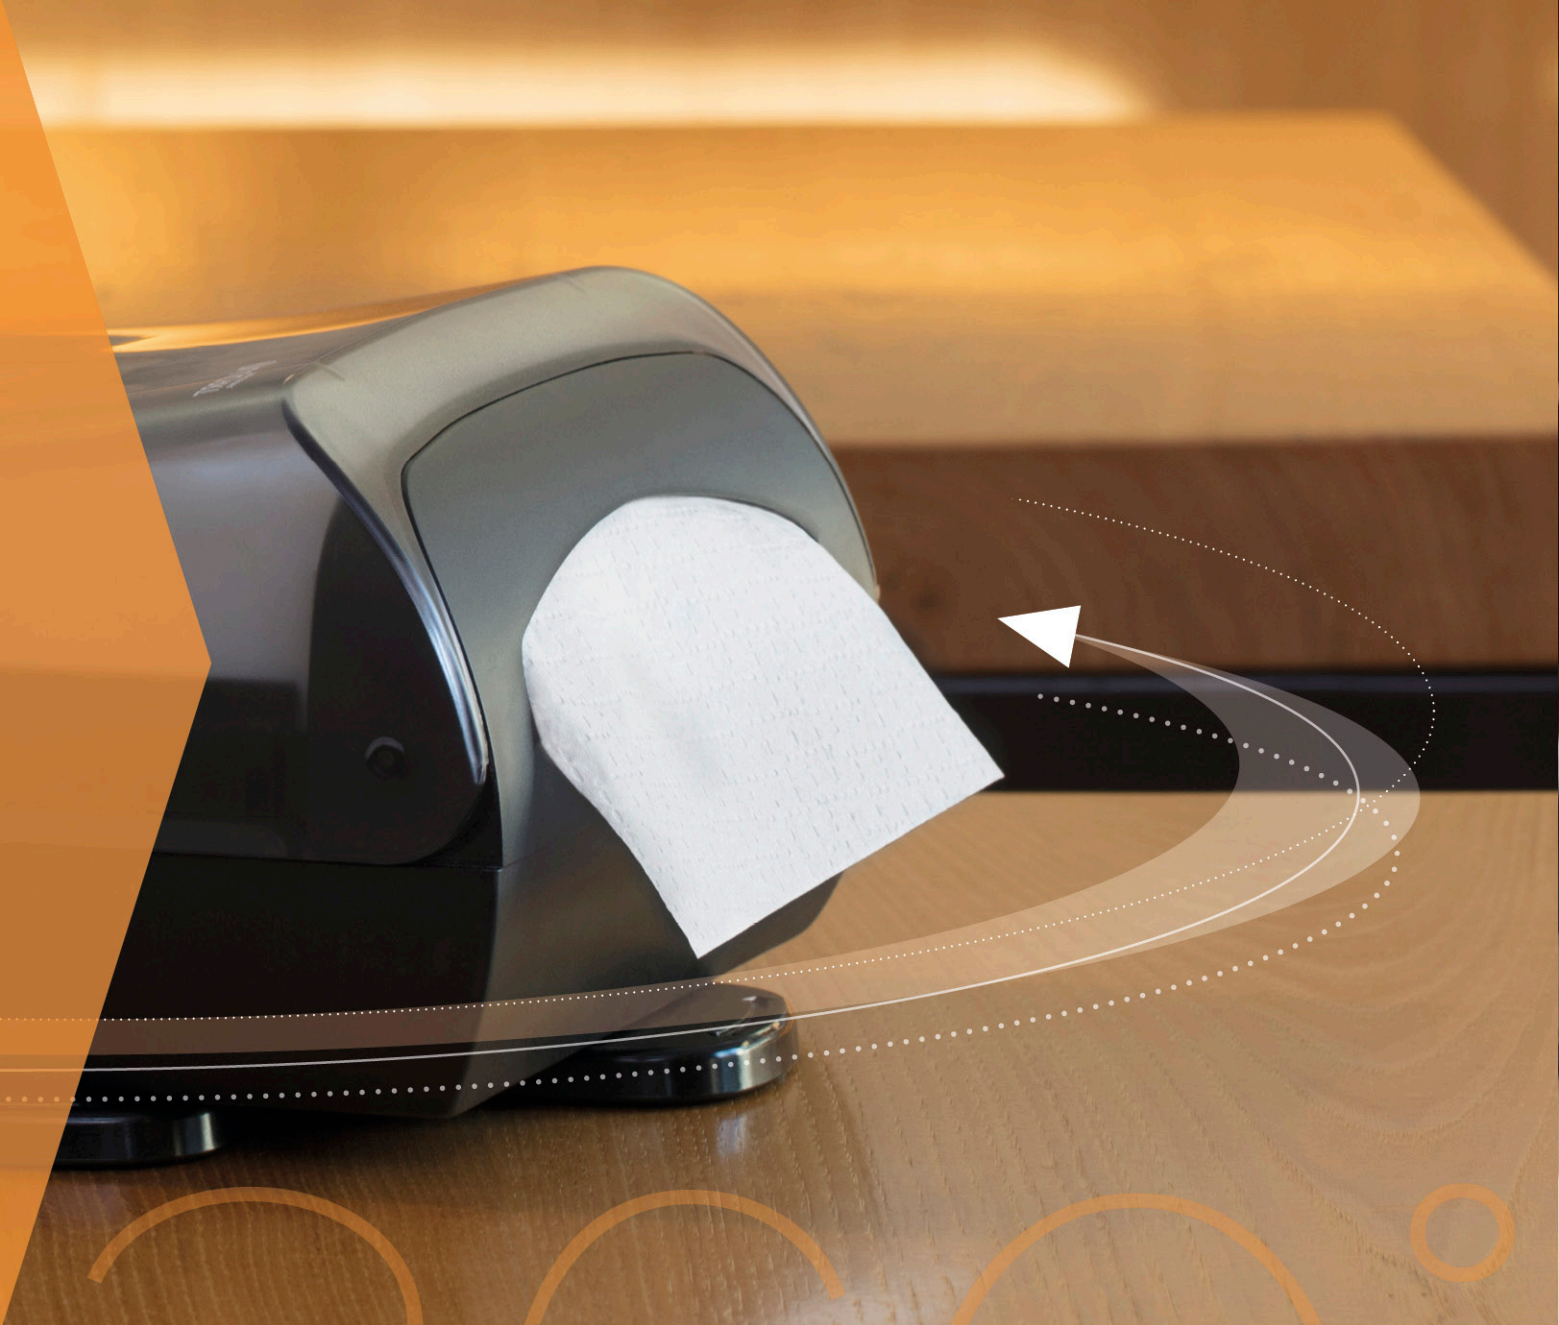

The new Lucart Professional **L-One TableTurn** dispenser redefines functionality standards.

Lucart brings technological innovation to the sector, introducing a dispenser that **rotates a full 360°**.

Its revolutionary design and ingenious mechanism means that taking a napkin from a dispenser becomes an **easy and fun experience** for every customer. And, if necessary, **the rotation function** can be blocked thanks to a custom-designed pin located underneath the dispenser.

Its compact form and curved lines make this dispenser an ideal solution for tables and counters in bars, restaurants, cafés and fast food outlets.

L-ONE COUNTER MOD
THE STACKABLE DISPENSER

The new **L-One Counter Mod** dispenser is a compact solution which allows you to **optimise** small surface spaces.

Its ingenious **modular design** enables you to choose whether to use stack dispensers vertically or horizontally.

And, because it can hold a large quantity of napkins, you need to **refill it less regularly**.

L-ONE COUNTER MOD

Code 892349
Dispenser for folded napkins 24x16 cm

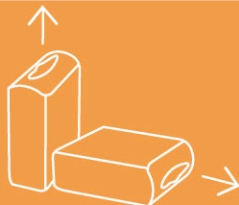

112x218x290 (mm HxLxD)

- Choose from horizontal or vertical placement
- Modular, stackable
- Snap closure

PERFECT STACKABILITY

BEYOND EXPECTATIONS

Two dispensers that deliver beyond every expectation thanks to their **innovative functionality**.

Their generous capacity means that as a business owner you can "Fill & Forget", thus reducing time spent refilling them and the related staff costs.

And, when the time does come to refill them, you'll easily know thanks to the transparent cover which can also hold a promotional message.

Perfect for canteens, self-service outlets and catering occasions subject to high foot traffic.

WEB COMMUNICATION CONFIGURATOR

PROMOTIONAL MESSAGE

L-ONE

PERSONALISED SYSTEMS: DISPENSER

SPACE FOR PROMOTIONAL MESSAGE

PERSONALISED DISPENSERS

L-One dispensers feature a transparent cover with a space allowing **tailored promotional messages** which can be quickly and easily created by means of a **web configurator** provided by Lucart.

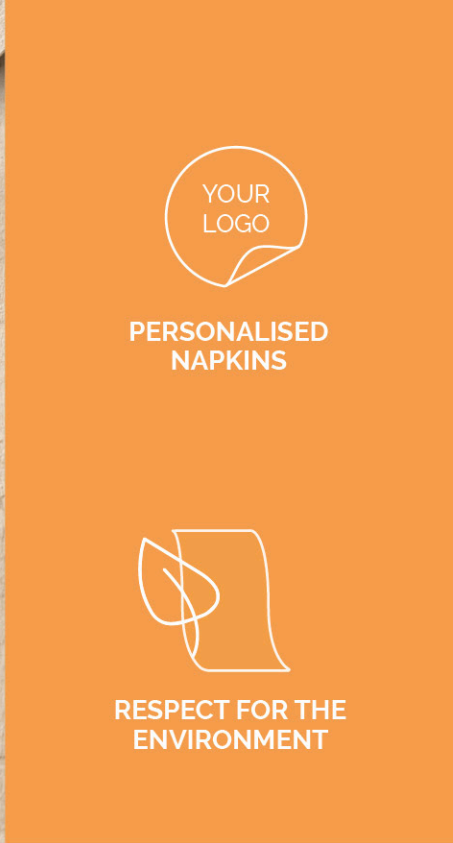

This configurator, which can be accessed via desktop and mobile, offers a choice of **ready-to-use themes** as well as blank templates which can be **personalised** as you wish. It's simple to use meaning staff members can easily insert messages, photos and logos to create menus and promote events as frequently as they wish.

In addition to instantly printing the message, it can be shared via email and social media to create that extra marketing push.

Immediate access to the web configurator!

+ NAPKINS

PERSONALISED NAPKINS

L-ONE dispensers are compatible with the **new "Think Natural" napkins**, made from **Fiberpack®**, the innovative ecologically-minded paper product created by Lucart from recycled cellulose fibres present in beverage cartons.

Creativity studied by Lucart to help restaurateurs to transmit their **green spirit** to their customers.

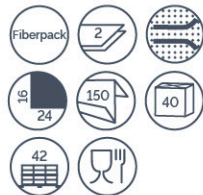

Lucart offers managers, that prefer their own unique and branded napkins, the **possibility to personalise** Fiberpack® and pure pulp napkins with the same high quality and ecological certifications.
